Book Lists : 2010 – 2011

Due to the changes brought into place by the government over the last few months we have had to change the way that we deal with our booklists and the way that we charge for them. This is extremely disappointing because I am sure that the way that we were doing it was the most efficient, both in terms of cost and time, for all concerned.

Book lists are now split into four parts as detailed in the table below :

| | | |
|------------|---|--------------------------------|
| Rental | As before, we are renting books so that you can be spared the cost of purchasing a new book. Some books are rented over 4 years, some over 2. | Amount for each class differs. |
| Stationary | Everything that expires over one year, from copy books and glues sticks to English Spelling workbooks, that the students fill in and can therefore only be used for one year before they are thrown away. | Amount for each class differs. |
| Resources | Included in this section are the school trips, photos and DVDs, and subject books that have been prepared by the teachers. Payment for this is made to the school accounts department. | Amount for each class differs. |
| Listed | Items that teachers have asked children to have such as Scientific Calculators and Uniform. | No Fee |

Rental and Stationary will be dealt with exclusively by School Business Services (03 305531). Once the amount has been paid, the books and stationary will be delivered by School Business Services directly to the school and to your child's desk. All prices charged are shown clearly on the accompanying lists. Should you wish to, you can purchase the Stationary list from any bookshop of your choice with the following TWO limitations :

- All copybooks must be School Copybooks
- All stationary must be with the school by the Monday BEFORE school :
 - Monday 27th September 2010 for Nursery to Class 8, Class 9A and Classes 10 and 11
 - Monday 30th August 2010 for Classes 9B, 9C and all 12s.

I hope that you will trust that we try to find the best prices for you and that you will make things easy for us and for you and purchase all lists through School Business Services.
