Final Exams : June 2011

Please place on this sheet the contents of your course that you will be examining in your Final Exam. Details are expected. Chapter numbers, section headings and the like. Please type using this template and then email the template to me using all the syntax details for the PDF filename that I have spelt out in the email that this came attached to.

Teacher : Oumaima	Subject : Biology Class 11 SE
-------------------	-------------------------------

Extra	Nervous system Different divisions of the nervous system What is a Neuron? What is an Action potential? What happens across a synapse? What is the action of drugs? Hormonal communication Regulation of glycaemia.	Extra notes in copy book.
-------	--	---------------------------

Dear student the best way to study biology is to make sure you understood all concepts and you memorized all key terms. You have to resolve the exercises.
