Mid Year Exams : February 2011

Please place on this sheet the contents of your course that you will be examining in your Mid Year Exam. Details are expected. Chapter numbers, section headings and the like. Please type using this template and then email the template to me using the following syntax in the Subject header of the email : TaughtSubject : Class. Thus if I were sending details of Maths in 7A the subject of the email would be : "Maths : 7A". Every Class/Subject combination should have a separate email. Thus Bassem will send me about 19 emails!

| Teacher : Omaima | Subject : Biology | Class |
| | 12 SE | |

Biology, Class 12 SE

Unit II Neurobiology

Chapter 3: Anatomy & physiological support of an innate reflex pages 52 - 68

Lesson 1 : Innate reflex

Lesson 2 : Nerve centre: The spinal cord

Lesson 3 : Structures of reflex actions

Lesson 4 : Nerve messages

Lesson 5 : Nerve message: Nature and propagation

Lesson 6 : Synaptic transmission

Chapter 4: Cerebral activity pages 70 - 84

Lesson 1 : Reflexes and voluntary actions, Conditional reflex

Lesson 2 : Cerebral functions

Lesson 3 : Conduction of nerve message

Lesson 4 : Perturbation of Cerebral activity

Lesson 4 : Drugs and nerve transmission

Dear student the best way to study biology is to make sure you understood all concepts and you memorized all technical terms. You have to reanalyze all activities and resolve the exercises. Review the quizzes and tests.

Good luck.
