Mid Year Exams : February 2010

Please place on this sheet the contents of your course that you will be examining in your Mid Year Exam. Details are expected. Chapter numbers, section headings and the like. Please type using this template and then email the template to me using the following syntax in the Subject header of the email : Taught Subject : Class. Thus if I were sending details of Maths in 7A the subject of the email would be: "Maths: 7A"

Teacher : Omaima	Subject : Biology	Class
	11 S	

Biology, Class 11 S 1

- Chapter 2: DNA, genetic information and cell cycle
page 34 - page 47
- Chapter 3: Protein synthesis and enzymatic
activity page 50 - page 72
- Chapter 4: Biological identity and genotype
page 76 - page 86
- Chapter 5: Molecular renewal
page 89 - page 97
- Chapter 6: Energy expenditure of organisms
page 100 - page 109

Dear student the best way to study biology is to make sure you understood all concepts and you memorized all technical terms. You have to reanalyze all activities and

resolve the exercises. Review the quizzes and tests.

Good luck.
