Mid Year Exams : February 2010

Please place on this sheet the contents of your course that you will be examining in your Mid Year Exam. Details are expected. Chapter numbers, section headings and the like. Please type using this template and then email the template to me using the following syntax in the Subject header of the email : Taught Subject : Class. Thus if I were sending details of Maths in 7A the subject of the email would be: "Maths: 7A"

Teacher : Omaima

Subject : **Biology**
9 B

Class

Biology, Class 9 B

Chapter 1: Digestion

page 12 - page 31

The extra notes given about digestion.

Chapter 8: Mitosis

page 156 - page 167

Chapter 9 Meiosis

page 168 - page 183

The cell and its structure page 132, including all the notes in the copy book.

Dear student the best way to study biology is to make sure you understood all concepts and you memorized all technical terms. You have to re-analyze all activities and re-solve the exercises. Review the quizzes and tests.

Good luck.
