Instructions and notes for filling in this application form

- Should any information given in this application be found to be false, no financial aid will be given.
- An appointment for an interview with one of the parents may be made to help the Administration assess the student's needs. Interviewed parents should produce official identification documents and provide relevant information regarding the family's financial status. It is the responsibility of the parents to arrange for this interview at the Administration Office.
- Only school fees are eligible for Financial Aid.
- Please note that an important part in the determination of the granting of Financial Aid is the behaviour and conduct of the student in question.
- There are a number of important papers that are required with this application. Please make sure that all the documentation is produced with the application form or we will be unable to process the application and your request will suffer as a result.
