This is a Class 2 exam

Lebanon Evangelical School
for Boys and Girls
Loueizeh - Baabda

Stage Exam 03

10FEB2026

Do NOT write in this box. Your MARK will be placed here.

Subject :	English	
Class :	10E	
Teacher :	Mr. Omar Meho	
Duration :	1 hour	
The NOVEL is needed for the exam		
Your name :		*Time taken to complete exam*
Your Class :		
Exam Room :		
How many sheets, including cover sheet :		

- Do not open this paper until the teacher in charge instructs you to do so.
- The most important thing to remember in taking an exam is NEVER PANIC.
- If you are caught cheating in this exam, you will be awarded zero for ALL exams that are taken on this day.

Answer the questions below by writing well-structured response-to-literature paragraphs. (15 points / 5 points each)

1) **How does Atticus teach Scout important life lessons outside of school in chapters 2 and 3?**
2) **How does Boo Radley become a symbol of fear and mystery in chapter 5 and 6?**
3) **How does the trial reveal injustice in Maycomb in chapter 20?**

10E
CLASS 2 EXAM

1) **How does Atticus teach Scout important life lessons outside of school in Chapters 2 and 3? (5pts)**

Atticus teaches Scout important life lessons outside of school by encouraging empathy and understanding rather than strict rules. When Scout struggles at school, Atticus advises her to consider others' perspectives, explaining, *"You never really understand a person until you consider things from his point of view."* This lesson helps Scout learn patience and compassion, skills she does not gain in the classroom. He also shows her that education is not limited to formal schooling when he tells her, *"You can learn a simple trick,"* emphasizing moral growth over academic success. Through Atticus's guidance at home, Harper Lee shows that true education comes from empathy and moral awareness, not just school rules.

2) **How does Boo Radley become a symbol of fear and mystery in Chapters 5 and 6? (5pts)**

Boo Radley becomes a symbol of fear and mystery due to rumors, imagination, and the children's lack of understanding. In these chapters, Boo is described through frightening gossip, such as when Scout explains that people believe he *"dined on raw squirrels,"* which exaggerates his image and increases fear. Jem and Scout's curiosity grows when they attempt to spy on him, especially during the nighttime raid when *"Jem's pants were caught on the fence,"* creating tension and danger. Boo's unseen presence and the children's imagination turn him into a mysterious figure, showing how fear often comes from ignorance rather than reality.

3) **How does the trial reveal injustice in Maycomb in Chapter 20? (5pts)**

The trial reveals injustice in Maycomb by showing how racial prejudice outweighs truth and evidence. In Chapter 20, Atticus clearly points out the lack of medical evidence, stating that *"the state has not produced one iota of medical evidence,"* proving Tom Robinson's innocence. He also reminds the jury that *"in the name of God, do your duty,"*appealing to their sense of justice rather than racism. Despite this powerful argument, the verdict later proves that fairness does not exist equally for Black citizens. Harper Lee uses Atticus's speech to expose the deep injustice rooted in Maycomb's society.
