**This Celebration has been postponed until Friday  
17FEB2023!!!**

*Make sure you send your child wearing their school  
uniform on Friday 10FEB2023 (or their PE uniform if  
they have PE on that day).*

**STAND STRONG and spread  
love and care everywhere!**

Celebrate Valentine's Day with us on **Friday 17FEB2023!** While we honor this day of love, care and friendship with our teachers and students, we encourage you to send your child wearing **RED, PINK or WHITE** instead of their school uniforms on that day.

During the day, we will be highlighting some different ways of how to show Love and Care. We will emphasize how love can be expressed to each other to strengthen friendships. We can weather any storm together by caring for each other, making time for each other, listening to each other, supporting each other, etc.

Please note, this is an **OPTIONAL** activity. If for any reason, your child does not want to join this activity, please make sure they come to school wearing their school uniform.

Thank you for your kind cooperation.
