Dear Parents

I take this opportunity to remind you that in order to be considered enrolled for the next academic year (2026-2027) the following conditions apply :

1. The student must have fulfilled the requirements for passing. These will be available when the Final Reports are issued in early July 2026.
2. All dues for this academic year (2025-2026) must be settled in accordance with the agreed payment schedule plan.

Should you have any queries or would like to discuss any aspect of the details in this document or have any problems fulfilling the requirements laid out in this document, please visit the Accounting Department at your earliest convenience. We are here to help at this difficult time.

Yours sincerely
